### **ATTENTION !**

**DC 5.5.2** An Athlete who has given notice of retirement to FINA may not resume competing unless he or she notifies FINA in writing at least six (6) months before he or she expects to return to Competition and is available for Testing at any time during the period before actual return to Competition. An Athlete seeking reinstatement is subject to these Anti-Doping Rules in their entirety from the date reinstatement is requested, including (if requested) complying with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations. WADA in consultation with FINA and the Athlete's Member Federation as well as National Anti-Doping Organisation, may grant an exemption to the six-month written notice rule where the strict application of that rule would be manifestly unfair to the Athlete. This decision may be appealed under DC 13. Any competitive results obtained in violation of this DC 5.5.2 shall be Disqualified.

According to Article 5.7.1 of the Code, an International- or National-Level-Athlete included in a Registered Testing Pool (RTP) who has retired and wishes to return to competition may be granted by WADA, in consultation with the applicable IF and NADO, an exemption to the 6-month written notice rule where the strict application of this rule would be manifestly unfair to the Athlete.
