## FOOD Safety Statement

The 14th FINA World Swimming Championships (25M) will be held in Hangzhou, China from December 11 to 16. In a bid to achieve the success of this world-leading water sports game, the Chinese Government and the Hangzhou Municipal Government pay great attention to problems of great concern to the general public, strictly execute laws and regulations concerning food safety, and strengthen food safety supervision in accordance with international practices, in order to ensure the food safety for athletes and spectators.

Recently, the Hangzhou Municipal Government held multiple meetings with officials of the Organizing Committee of the 14th FINA World Swimming Championships and related experts to discuss details of the food safety supervision. The Organizing Committee will take the following measures:

### 1. Establish a Food Safety Assurance Department

To guarantee the food safety during the game, the Hangzhou Municipal Government and the General Administration of Sport of China issue an order to establish a Food Safety Assurance Department within the Organizing Committee of the 14th FINA World Swimming
