RE: FINA WORLD AQUATICS DAY – 2020 Edition

Dear Friends,

We have the pleasure to draw your attention on the fourth edition of the FINA World Aquatics Day observed worldwide.

The FINA Executive and the FINA Bureau decided to continue with the project of the FINA World Aquatics Day Celebration and to provide a financial contribution to the National Federations willing to participate in the movement.

Consequently, the National Federations willing to celebrate the World Aquatics Day in 2020 can apply for a financial support of up to **USD 4'000.-**

Application Process

The National federations wishing to apply for this financial aid will need to submit a **celebration programme, the detailed budget and the structure** put into place to organise their respective event in the year 2020.

National Federations must apply prior to the event being held, so that the documents may be reviewed.

Receipt of the Grant

The financial contribution will be provided only after the conclusion of the celebration upon receipt by FINA of **photos** of the event **and video footage** (if available). FINA will reserve the right to use these visual and/or audio recordings for promotion purposes on our website and/or in our publications.

Please note that the National Federations taking part and being supported by FINA will be expected to comply with the above mentioned criteria and will be requested to **send the audiovisual material within sixty (60) days from the conclusion of the event.** Any material received after this deadline may not be taken into consideration and the FINA Accounting department will not to proceed with the payment.
